Official Transcripts, Proof of Training, or other certified record of hours

Effective July 1, 2024, federal regulations under Title IV of the Higher Education Act (34 CFR 668.14(b)(33) and (b)(34)) govern the release of official transcripts for students who received Title IV federal student aid. An official transcript is a certified copy of the student's academic record, including clock hours earned.

California Requirement (Civil Code §§ 1788.90–1788.93 — Educational Debt Collection Practices Act):

California law imposes a different requirement than the federal rule above. Notwithstanding any outstanding balance, payment plan status, or whether a payment period received Title IV aid, the school will provide a complete official transcript, or other certified record of hours to any current or former student upon request.

California Board of Barbering and Cosmetology Proof of Training: Students who withdraw, or are terminated from enrollment and do not complete the program will not receive a "Proof of Training".

How to Request a Transcript: To request an official transcript, please contact the Financial Services Office. Processing typically takes 7–10 business days. Unofficial transcripts are available upon request.

Additional Information: This policy is subject to applicable state laws and accrediting standards. If you have any questions regarding graduation requirements, transcripts, or financial obligations please direct them to the Financial Services Office.
